

Staff Orientation Policy

POLICY STATEMENT

We aim to ensure the most suitably qualified, experienced and reliable staff are employed at our Service. We are committed to ensuring we meet all legislative and regulatory requirements including the Education and Care Services National Law and National Regulations, Children and Young Persons Act, Fair Work Act Family Assistance Law and Anti-Discrimination Act. The National Quality Framework states that a comprehensive induction process plays a critical role in creating and maintaining a positive and professional culture. By providing an efficient and effective induction and orientation program we aim to ensure employees have the skills and knowledge to perform their roles confidently.

An effective induction and orientation program provides a formal process to provide new employees with information regarding service policies, procedures and practices. An induction and orientation program is available for all new employees and employees returning to work after a period of absence to ensure a smooth integration into our Service.

CHILD SAFE STANDARDS

Our Service is committed to be a child safe Education and Care Service. Our robust recruitment, probation and induction/orientation processes play a vital role in protecting children from harm. We follow the Child safe 10 standards and actively promote it in our organisation.

PROBATIONARY PERIOD

All new employees are subject to a probationary period of six (6) months. This ensures assessment for both the employee and service to ensure suitability of the role for the employee.

The probationary period is a condition of employment for all new employees. During this time employees will receive advice, training and guidance to help them become familiar with and competent in, performing the work they have been appointed to do. The appointment is subject to the satisfactory completion of the probationary period which itself is subject to termination during any stage, by either party, upon notice in writing, or by payment in lieu of notice.

During the probationary period an induction and orientation program will be initiated with the new employee. This allows the new employee an opportunity to understand the expectations and standard of conduct required to pass the probationary period.

At the time of employment, management will provide the employee with a Fair Work Information Statement and casual employees will be provided with a copy of the Casual Employee Information Statement (CEIS) at time of engagement.

The employee may terminate employment within the probationary period by providing the appropriate notice in writing as per employment contract. The employer may terminate employment within the probationary period by providing the appropriate notice as per employment contract. A termination of employment letter will state the reason of termination, notice period and the date of the employees last day of employment.

At the end of the probationary period, the approved provider or appointed nominee will advise if the employee has successfully completed the probationary period and provide a letter confirming their ongoing employment.

Employees, full time and part time, will accrue and are eligible to access paid leave entitlements during the probationary period such as annual leave and sick leave. If an employee does not pass their probation period any unused annual leave entitlements will be paid out.

INDUCTION AND ORIENTATION

Our OSHC Service is committed to providing a comprehensive induction program to ensure the smooth integration of new employees, students and volunteers. The approved provider or assigned nominee will support the new employee and help them to understand the organisational structure, how decisions are made and communicated and what role they will have in the decision-making process.

An induction checklist will be used to support this process, which explains an employee's responsibility to know the policies, procedures and practices within our Service and their duty of care obligations to ensure the safety and wellbeing of all children.

Induction will include relevant information on child safe practices adhering to the Child Safe Standards, Code of Conduct, Child Information Sharing Schemes (CISS) and strategies that identify, assess and minimise risks to children and mandatory reporting procedures including Reportable Conduct Scheme.

New employees (including the nominated supervisor and staff members), students and volunteers are to familiarise themselves with the *Child Protection Policy* to understand the Child Protection Law and their obligations and mandatory reporting duties to ensure the safety and well-being of children at the Service.
