We will endeavor through our interactions with children to nurture their optimism, happiness and sense of fun and we will aim to recognise and respond to barriers which may impact on children achieving a positive sense of self identify.

Educators will utilise opportunities in their interactions with children to develop an understanding of each other’s expectations leading to a deeper understanding of each other and the negotiation of clear boundaries regarding safety, respect for others and procedures for creating a caring environment.

PROCEDURE

- The Educators will:
 - Maintain a positive attitude in all interactions with children.
